

Packages from home for our deployed men and women.

Rev. #3 10/2025

Treat The Troops is a nonprofit organization supported by communities around the nation, including Harbor Hills and The Villages. The mission is to let deployed American military persons know that people at home remember them and appreciate their sacrifices by sending them boxes of home baked cookies.

Last year we sent 17,565 home baked cookies to soldiers deployed in **Kuwait, Iraq, Slovakia, Hungary, India, Jordan, Romania, Germany, Bahrain, Syria, Poland, Egypt, Lithuania, South Korea and other undisclosed locations**

WAYS YOU CAN SUPPORT OUR DEPLOYED TROOPS:

1. **Bake Cookies - We need Lots!!! Every cookie is appreciated.** You can bake ahead & freeze until the drop off dates. THICK cookies ship best. **Put in bags of 6.** Please mark the bag if cookies contain nuts or peanut butter.
2. **Donate \$\$.** The postage cost of mailing each box of cookies with the military discount will be \$28.70 (it was \$23 last year). Each box contains 96 cookies (16 bags of 6 cookies) plus Christmas candy, other goodies, and a personal thank you card.
*You can make checks out to Treat the Troops (takes longer to get cashed) or Roseann Cochran with Treat the Troops in the memo line, either way mail the donation to: Roseann Cochran,
39646 Harbor Hills Blvd.
Lady Lake, FL 32159*
