Trash carts are to be taken to the curb the morning of pickup or late the evening before. Where there are more than 1, they must be placed at least four feet apart; therefore, it is recommended a cart should be placed at the end of each corner of the driveway. All curbside collection must be placed within three feet of the curb or edge of the roadway with the handle facing your house.

Yard Waste must be taken to the curb Tuesday morning or late Monday evening and is not to be placed into the street. Yard waste must be placed within three feet of the curb or edge of roadway. Placing yard waste into the street creates a traffic safety issue. Yard waste is defined as vegetative material, such as shrub and tree trimmings, grass clippings, leaves, palm fronds and branches. Yard waste cannot be placed in county-issued carts. In addition, limbs and branches must be no longer than four feet in length and no greater than six inches in diameter. Leaves may be bagged or placed into a container provided by the resident. Filled bags or containers cannot weigh more than 50 lbs.

Furniture, appliances and other bulk items may be picked up by calling Progressive Waste, 352-343-3776. Do not place items on the curb without procuring a pick-up date first from Progressive and then only the night before the appointment or early that morning.

In addition to curbside pickup, Household Hazardous Materials may be taken to the Lake County Residential Convenience Center, 1200 Jackson Street in Lady Lake. They are open Tuesdays and Saturdays, 8:00am–5:00pm. Phone number is 352-753-2399..

Curbside residential solid waste pickup will be closed on the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day. For these federally-observed holidays, residential collection will occur the following day, and any subsequent collections for the rest of the week are also shifted to the day following their normally-scheduled day.

Lake County Carts are to be brought back from the curb as soon as possible after pickup and stored within the garage. Outside storage must be behind a board-approved privacy storage wall.
